

Application No.: 09/760,377

Atty Docket: BLFR 1003-1

REMARKS

In the amendment filed on 13 February 2006, Applicants did not correctly identify the status of each of the pending claims. In this response to the Examiner's Notice of Non-Compliant Amendment mailed 24 April 2006, Applicants have provided the proper status identifier for each of the pending claims, particularly claims 25, 44 and 63 which are now properly identified as "currently amended." Claims 1-76 remain pending and are to be examined in this application. Claims 77-95 have been cancelled.

The arguments in Applicants' response filed on 13 February 2006 still stand and have not been reiterated here.

CONCLUSION

Applicants respectfully submit that the pending claims are now in condition for allowance and thereby solicit acceptance of the claims, in light of these amendments.

If the Examiner would find some clarification or amendment to be helpful to the prosecution and allowance of this or any of the related applications that the Examiner is considering, the undersigned can ordinarily be reached at his office at (650) 712-0340 from 8:30 a.m. to 5:30 p.m. PST, Monday through Friday, and can be reached at his cell phone at (415) 902-6112 most other times.

Respectfully submitted,
